I have decided to leave BlueStar, as of September 30, 2000, to become General Counsel of a Nashville-based company called Education Networks of America, which is providing Internet services to schools in Tennessee and other states. Please update your service lists to substitute Norton Cutler for me. Norton is the General Counsel of BlueStar. David and Guy, would you also please update the service list for 99-00945 (BlueStar's arbitration with BellSouth) and inform Debra Webb that I should be taken off the TRA fax list. Thank you. It has been a pleasure working with each of you, and I wish you continued good fortune in the future. I suspect that our paths will cross many times in the future.

Would each of you please add both me and Cathy Boone to your respective service lists for this docket so that we will receive copies of all filings simultaneously with our local counsel, Henry Walker. Thank you.
